

Wednesday 15th October, 2025

Dear Parents and Carers,

In my start of year letter, which feels like a lifetime ago now, I spoke about looking for opportunities to forge stronger links between home and school and seeking ideas on how to include you even more in our school community and your child's education. We are also working hard as an academy to forge closer links between the primary and high school.

As you may be aware, there is a Friends of Kingstone Academy Trust Committee. Up until this year, this has been predominantly made up of representatives linked to Kingstone High School. I met with the committee earlier this week and they, and I, are eager to have the primary school more heavily represented within this group.

The group is made up of parents and staff and is responsible for putting on events that bring the local community together and raise money for our wonderful academy. Any money raised at these events goes directly towards supporting the children attending Kingstone.

The next event being organised and put on by this wonderful group is a firework night on Saturday 25th October on the school grounds. Please see below information on how to purchase tickets. We hope to see lots of you there!

I am writing to ask whether there are any parents or carers who would like to join this committee to represent the primary school. Meetings take place once a month and are an opportunity to get together and make plans for Academy events. We welcome committee members with children in any year group.

If you do not wish to join the committee but are happy to be contacted about ways in which you can support the events, that would also be great to know. If you would like further information or would like to attend the next meeting to see what it is all about, please do not hesitate to contact me (ktpshead@kingstoneacademy.co.uk).

We look forward to having the primary school more heavily represented moving forward, allowing us to organise some more brilliant whole academy events.

We are also always keen to hear from parents, carers and grandparents who may like to volunteer some time to support in school – hearing children read, for example. If this is something you would like to discuss, please do let me know.

Kind regards,

Amy Preece
