Wow! What a busy week! We have really enjoyed our learning and activities this week, and have certainly managed to fit in a wide range. Our Reception children have made some wonderful African animal silhouettes for their topic *On Safari*, carefully painting the background and cutting out the animals to create very effective pieces of artwork.

The children in Year 4 have been so busy with their learning this week, finding out about the pentatonic scale a musical scale with only five notes per octave, then working with a partner to compose an original piece of work. They also wrote an informal letter ready to give to the current Year 3 children when they transition into Year 4. They also spent time enjoying their fabulous reading corner, and also managed to fit in their multiplication check, which they handled brilliantly, and really showcased their hard work. Well done, Year 4!

Our Year 6 children have been enjoying boxing sessions recently, organised by the local police. It's been a fantastic experience for everyone involved, as they have explored various boxing techniques and movements. Not only did they learn how to throw a punch, but they also discovered the importance of having great cardio fitness before stepping into the ring. It's wonderful to see the children having so much fun while picking up new skills—well done to Year 6 for their enthusiastic participation!

And finally, Caitlyn, Isla and Poppy represented the school brilliantly this week, as they went to a poetry event! They got to meet Debra Bertulis, a poet who signed their books, and received a certificate to congratulate them on their hard work and enthusiasm. We're very proud—well done, girls!

With best wishes for a lovely weekend,

Elissa Vigus
