A MESSAGE FROM MRS PREECE

This week has been brilliant! On Tuesday, I joined our Young Hopeful children on a trip to the Sunshine Club where we played board games and chatted with Kingstone residents. The club members loved learning new games and everyone had a brilliant time. The people we met were full of praise about the children - their presentation, their manners, their energy and their humour. Yesterday we celebrated World Book Day and what a wonderful day it was. There was a real buzz about reading around the school and the children all enjoyed workshops run by poet, Debra Bertulis. Thank you to Miss Donald for organising such a brilliant day!

Have a wonderful weekend.
Mrs Preece 😊

YEAR 1 NEWS

Year 1 have had a busy and exciting week, with World Book Day being a very special highlight. All of the costumes in class were amazing! The children thoroughly enjoyed their poetry workshop with the visiting author, Debra, who spent the day in school inspiring them with her work. The session sparked lots of creativity, and the children loved using their imaginations to design their own Faffleuff creatures based on one of Debra's funny poems.

YEAR 2 NEWS

The children in Year 2 have been both creative and collaborative this week. They have been working together to create fiery collage pictures in their Art lessons. These collages will become the base layer for a future piece focused on creating contrast between bright and dark colours. This learning is also linked to our History lessons in which children are learning all about the Great Fire of London.
