## A MESSAGE FROM MRS PREECE

It's been another brilliant week here at Kingstone.

We have welcomed lots of visitors to school this week, all of whom commented on how welcoming and polite the children are; it's always a pleasure to show visitors around the school.

On Monday, Year 4 and Year 6 will be heading off to Young Voices in Birmingham. Those of you who came to Celebration Assembly this morning had a sneak preview of one of the songs – it's sounding brilliant. Young Voices is such a highlight of the year and I know how much the pupils are looking forward to it.

Mrs Preece 😊

## RECEPTION NEWS

Reception spent some time on Tuesday morning litter picking around the school, ensuring our outdoor areas were clean, tidy, and safe for all people and animals. They did a great job! Thank you Reception for all your hard work, Reception.

## YEAR 3 NEWS

Year 3 have been loving their Science topic this half term which is all about rocks and soil. They enjoyed looking at lots of different rocks under a microscope. This week, they carried out a range of different experiments into the properties of rocks. They tested to see whether they are permeable, durable and dense.

# NOTICES

## Considerate Parking

To ensure the safety of our children please do not park on, or near, the zebra crossings.

## Considerate Parking

To ensure the safety of our children please do not park on the curb adjacent to the disabled bay.

## PE and Forest School

A reminder that for PE and forest school children should wear school regulation kit. If children do not have a school hoodie, they can wear an unbranded navy or black alternative.
