

Dear Parent

Starting from the 24th February 2025, there will be an increase in the price of our school meals.

This increase is a necessary adjustment to cover current food, fuel and increased labour costs. We understand the financial concerns this may raise for some families and want to reassure you that this decision was made after careful consideration and has been limited to the minimum increase to cover rising costs.

The school meal price will increase to £3.00, which is in line with other providers, and still represents excellent value for money.

Our school meal service remains committed to providing nutritional menus, catering to various dietary preferences.

As a reminder, if your circumstances have changed, you may be entitled to free school meals. Check this out by visiting <https://www.gov.uk/apply-free-school-meals>. If you are unable to complete the form online, please visit the school office, and a member of our office team will provide you with the necessary support. Please be assured that your application will be treated with the utmost confidentiality, and it will not affect any other benefits you may be receiving.

Yours sincerely,
For and on behalf of Miquill Catering Ltd.

Zoe Williams
Operations Manager
