

### Literacy

We will be listening to stories with themes that help us understand journeys made by different people.

We will also be writing a narrative based on the story 'Little Red Reading Hood'. We will continue to learn to spell our Year 2 common exception words and improve our handwriting.

### Art and Design & Technology

We will explore brushes and colour mixing before looking at work inspired by Alma Thomas who used nature as an inspiration.

### RE

In RE we will be exploring the question

'Who is Jewish and how do they live?'

We will find out about Jewish celebrations and find out how their religion affects daily life.

### Science

Our topic is everyday materials. We will discover the uses and properties of a variety of materials and take part in:

'The Great Egg Drop Challenge.'

## Year 2 Spring 1

### Computing

In this unit, we use a computer to create music. We will compare creating music digitally and non-digitally. We will look at patterns and purposefully create music.

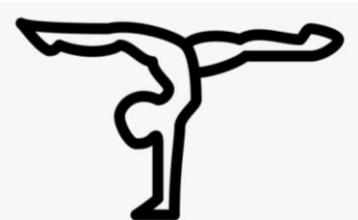

### Maths

We will be starting to work on grouping and sharing and beginning to understand how this lays the foundations for our future work around multiplication and division.

### Physical Education

We will take part in gymnastic sessions this half-term. Our PE lessons will focus on developing our balance, strength and coordination.

### RSHE

In RSHE, we will explore the theme - Dreams and Goals.

We will set ourselves challenges and work together to meet them.

### Geography

We will be learning the names of the continents and oceans of the world and finding out where they are located and how they differ.
