

Monday 3<sup>rd</sup> February 2025

Dear Parents and Carers,

After half term, our topic in Science will be plants. To kick-start our scientific exploration of plants and trees, we will be visiting Queenswood Country Park to spot and identify trees, based on their appearances. We will also spend time creating some bark-rubbings and may even have time to spot the Gruffalo and his friends!

Our trip will be on Wednesday 26<sup>th</sup> February. We will be travelling in school minibuses, leaving mid-morning. We will return before the end of the school day. The cost of the trip is £1 per child (to cover transport costs) and this is available to pay on ParentPay. Children who have booked a school lunch will have a packed lunch provided by MiQuill.

I am looking forward to a wonderful day out.

Kind regards,

Mr Bull  
Year 2 Class Teacher
