

Writing

We will be listening to stories with themes that help us understand journeys made by different people.

We will be writing a narrative based on the story 'Building Boy'.

We will continue to learn to spell our Year 2 common exception words and improve our handwriting.

Science

Our topic is everyday materials. We will discover the uses of a variety of materials and take part in:

'The great egg drop' challenge.'

Maths

We will be consolidating our place value and addition and subtraction knowledge and skills. We will use these skills to learn how to work with money, find the difference and figure out change.

Art and Design & Technology

We will explore brushes and colour mixing before looking at work inspired by Alma Thomas who used nature as an inspiration for her work.

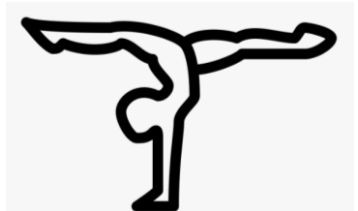

Year 2 Spring 1

Physical Education

We will take part in both cricket and gymnastic sessions this half-term. Our cricket lessons will be taught by an external coach and our gymnastics lessons will focus on developing our balance, strength and coordination.

Computing

In this unit, we use a computer to create music. We will compare creating music digitally and non-digitally. We will look at patterns and purposefully create music.

RE

In RE we will be exploring the question:

'Who is Jewish and how do they live?'

We will find out about Jewish celebrations and learn about what a typical day is like for someone who is Jewish.

Geography

We will be learning the names of the continents and oceans of the world and finding out where they are located and how they differ.

RSHE

In RSHE we will explore the theme - Dreams and Goals.

We will set ourselves challenges and work together to meet them.
