

Literacy

We will be reading George's Marvellous Medicine as our class text. We will also be looking at non-fiction texts to support our topic work.

We will be writing diary entries from the perspective of someone who experienced the Great Fire of London.

Art and DT

We are going to be learning printing and collage techniques and cooking healthy snacks. We will learn about the artist Matisse.

History

Our history learning will link with our writing lessons as we discover what the diary of Samuel Pepys tells us about the past. We will learn how building design led to the fire spreading so quickly.

Year 2 Spring 2

Science

We will find out about the life cycle of a plant. We will get ourselves outside and into nature to closely observe the different types of plants we have in our local area. We will look closely at what plants need to thrive and will learn how seeds grow.

Computing

We will be learning how to present data that we have collected as a class.

RE

In RE we will be continuing our learning about Judaism and will study Hanukkah and the origins.

Maths

We will be focussing on measurement and multiplication this half term.

We will be consolidating our knowledge of numbers and the number system by solving word problems.

Physical Education

We will be developing our ball and athletic skills across a number of sports.

Music

In Music we will be working on rhythm, as we create our own musical accompaniments to stories. We will listen to music by Vivaldi and pieces from the Nutcracker.

RSHE

Our RSHE topic is

We will be thinking about lots of ways to keep our minds and bodies healthy.
