

## Literacy

We will be reading stories about the seaside, some fiction and non-fiction.

These include:

- The Sea Saw
- The Little Boat
- Seaside Holidays

We will be writing about the stories we read and about other areas of our topics. We will continue to read and write the Year 1 Common Exception words.

This topic web gives a brief outline of some of the activities that we will be exploring in Year 1 during this half-term. We will have lots of time to take part in both child and adult led activities.

Don't forget that lots of these activities can be continued at home too.

## Year 1 - Summer 2 Topic: Beside the Seaside

## Maths

We will be looking at 'Position and direction'. We will be following instructions based on positional language like 'forward/backwards' and 'above/below'.

We will also be taking a close look at telling the time. We will talk about the passing of time as we look at months of the year and days of the week. Finally landing on telling the time by the hour and then the half hour.

## Art and Design & Technology

We will be looking at making 3D natural ART. We will be building sculptures out of natural materials, and adapt these into spiral sculptures and designs.

## Science

In our Science lessons we are continuing to think about materials. We will be describing everyday materials and will be conducting an investigation into creating the best sandcastle.

## Physical Education

In our PE lessons we will be introduced to swimming. We will go through the basics of swimming and learn to feel comfortable in the water.

## Computing

We will continue exploring programming. We will use ScratchJr to create and programme sprites to move around. We will add extra sprites and design a project.

## Music

We will be exploring travel and water through music. We will be performing action songs about water and following the movements by changing the pitch and tempo.

## History

We will be thinking about how Kingstone Primary has changed in 25 years. We will look at a map of Kingstone and try to find the school and other key buildings. We will also be going on a walk to Green Lane to follow the routes planned on maps.

## RSHE

We will be exploring 'changing me'. We will be thinking about lifecycles and how we change as we grow up. We will talk about how our bodies have changed since we were babies and how boys and girls are different.

## RE

In RE we will be continuing to learn about Muslims and how they live. We will begin exploring how Muslims pray and the objects they use to worship. We will explore the five pillars of Islam and talk about their importance in the Muslim faith.
