

### Literacy

We will be listening to stories with themes that help us understand journeys made by different people.

We will be writing a narrative based on the story, 'Building Boy'

We will continue to learn to spell our Year 2 common exception words and improve our handwriting.

### Science

Our topic is everyday materials. We will discover the uses of a variety of materials and take part in...

'The great egg drop' challenge.'

### Maths

We will be learning about adding and subtracting money and giving change. We will be introduced to the structures of multiplication and continue to count in 2s, 3s, 5s, 10s and 3s.

## Year 2 Spring 1

### Art and Design & Technology

We will explore different brushes and colour mixing before looking at work inspired by Alma Thomas; Alma used nature as an inspiration.

### Physical Education

We will take part in gymnastics sessions. We will explore ways to link movements and discuss actions to raise our pulse and to stretch our muscles.

### Computing

In this unit, we use a computer to create music. We will compare creating music digitally and non-digitally. We will look at patterns and purposefully create music.

### RE

In RE we will be exploring the question:

'Who is Jewish and how do they live?'

We will find out about Jewish celebrations and learn about how their religion is important to their life.

### Geography

We will be learning the names of the continents and oceans of the world and be finding out where they are located and how they differ.

### PSHE RSE

Our value this half term is hope.

In RSHE we will explore the theme -Dreams and Goals.

We will set ourselves challenges and work together to meet them.
