

Tuesday 26th September 2023

Dear Parents, Carers and Year 4 children,

I am writing to let you know about our upcoming Victorian Day, taking place on the 5th of October. It will be an immersive and fun-filled day linking to the work we have been doing in History sessions!

The theme of the day is the Victorian period, and we have many exciting activities planned. In the morning, our students will be playing traditional parlour games and learning all about the life of people who lived during Victorian times. It will be an interactive and engaging experience that I am sure everyone will enjoy.

During the afternoon, we are going to replicate a typical Victorian school experience. Students will be transported back in time and receive a lesson in the style of the period. We will explore the historical setting and work on projects that will provide a real insight into what life was like.

To make the day even more special, we are inviting students to dress up as Victorian characters with costumes that depict what people of this era wore during their time. We believe dressing up will add to the overall experience and make it a truly authentic historical event. Please do not feel that you need to go and buy things especially for this. We recommend that children wear a shirt, smart trousers or skirt (school ones are fine), black shoes, along with a waistcoat or a jacket like early Victorians used to wear. If you need any support with this, please do let me know.

We are looking forward to a great experience for both the students and staff. We hope that all of our Year 4 students will enjoy this exciting Victorian Day and come along dressed in their best Victorian outfit! If you have any questions, please do not hesitate to contact me.

Thank you for your continued support and cooperation.

Yours sincerely,

Miss Anthony,

Class 4 Teacher
